- Continue to Promote Racial Equity and Inclusion
- Build and Re-build Connection
- Prepare for Transition and Change

## **III. Board Covenants**

As a member of ERUUF Board of Trustees, I covenant to:

**Be present and engage with intention:** arriving prepared and ready to participate fully, placing care for one another, kindness, and compassion at the center of our work

**Engage with a listening heart:** engaging courageously, with curiosity, humility and an open mind, listening deeply for understanding, and questioning kindly.

**Take responsibility for my own behavior:** speaking only for myself and my own experience, sharing the air and participating equitably, and sharing my thoughts and feelings as fully as possible.

**Focus the 'why':** centering that which is most important and balancing the need for deep reflection with the responsibility for getting work done; taking the time necessary to explore the depth of issues before us and the impact of those decisions on our community, and being ready to make a decision and move forward when it is time to do so.

**Consciously engage our commitment to diversity, equity, justice, inclusion and belonging, especially where it concerns racism:** holding a clear commitment to ERUUF as a whole through a lens of racial equity, inclusion and belonging for all in our community, identifying and dismantling oppressive systems and policies within our institution, and behaviors and practices within our processes.

**Slow down and take care:** acknowledging the current reality as extraordinary and taxing; slowing down and taking responsibility for self-care so our work is sustainable.
